Re: Letter of Recommendation

Dear Adriana,

I would like to commend you on your excellent accounting services. As you know, I have referred several of my clients to you under my recent capacity as Vice President and Branch Manager at Discovery Bank. You have handled my business clients professionally, and you produce detailed and accurate work that far exceeds the quality of financial reporting companies that I have seen other firms produce. Your work is timely, thorough and correct.

You are my bookkeeper of choice, and I will continue referring clients to you through my capacity as owner of Keys Financial Services, a business lending company. The reliability of your work makes analyzing the internally prepared financial statements of my clients much easier, and I would recommend you to all bankers and lenders who rely on those documents to make lending decisions.

If any of your clients or prospects would like to discuss my experience with you further, please do not hesitate to give them my contact information.

Best,

Marcia Schaefer
